

To reset the password after you receive an e-mail with the link

1st step: Create New Password

Password should be 8-64 characters, and may include special characters. Your password should be simple enough that you can remember it without reusing or varying one of your existing passwords, and long enough that attackers can't easily guess it. Phrases or complete sentences such as, "My dog Spot is a good boy." are recommended.

2nd Step: Confirm Your Sign In Email Address

Confirm your current email address or enter a new one. This email address should be unique to you and cannot be used by another family member or dependent for their account.

IMPORTANT:

- As this is linked with your private healthcare data, do not share this information with anyone.
- This email address will be used to sign in to your account going forward.

Email Address

After you select **Continue**, we will provide you a **PIN Code** to use for account registration. We will also send a message to the above address with instructions continue the process.

MyHealthRecord.com migration

We are migrating portal accounts to the new system to improve Greenway Health security level.

3rd Step: Check your e-mail for the PIN Code
